

**New factory opening in Vietnam**

We are proud to announce the official opening of our new factory in Vietnam called SEMITEC ELECTRONICS VIETNAM CO., LTD. (short: SEV) on 31. July, 2015.

The opening ceremony was attended by chairman and group CEO Jiro Ishizuka, president and CEO Junya Ishizuka as well as Vietnamese and Japanese staff.

Construction of the factory was commenced in October 2014 as a production base for some of our Korean customers and production started in June 2015. The factory is now in full mass production and we took the opportunity to have an opening ceremony and announce the factory opening.
